Academic Performance Overview:

- The students' academic performance, measured from Secondary Education (ssc_p) to MBA (mba_p), consistently falls within a similar range. The average marks in each stage are as follows:
 - - Secondary Education (ssc_p): 67.30%
 - Higher Secondary Education (hsc_p): 66.33%
 - Degree: 66.37%
 - MBA: 62.28%
- The students' academic performance from Secondary Education to MBA is within average range, indicating consistent performance across these stages. The standout performance in the Entrance Test, with an average score of 72.10%, suggests that students are well-prepared for Entrance.

Salary Analysis:

- The **median salary** of the students is **₹265,000**, while the **mean salary** is **₹288,655.41**. The most frequently occurring salary (mode) is **₹300,000**.
- Given that the median salary is significantly lower than the mean, this suggests the presence of outliers in the salary data.
